

SWEETWATER ROCKS COMPLEX
WILDERNESS STUDY AREAS
ARE YOU INTERESTED?

The Fremont County Wyoming Public Lands Initiative Committee will be conducting a site tour of the Sweetwater Rocks wilderness study areas, contained within Fremont and Natrona Counties on July 8th. We will be meeting at the Split Rock rest area on Hwy 287, east of Jeffrey City, at 8:00 a.m. and will travel to the areas from there. Interested parties are encouraged to attend as public comments are of great importance to the Advisory Committee and will be an important part of the determination of the Lankin Dome, Split Rock, Savage Peak, and Miller Springs area designations.

Additional information regarding the Committee, the Wyoming Public Lands Initiative wilderness study areas within Fremont County can be found at fcpli.com
