Approval of the minutes for May 21, 2025, were posted according to law. With no changes necessary, the minutes stand as written.

A motion was made by Butch McFall, and seconded by Audra Thornton, to approve the agenda of June 4, 2025. Motion passed.

Mayor's Report: Pet Clinic went well and there were 13 residents who participated.

Bartlett Oilfield Service started hydrovacing on the westside of the school to try and find the water line that is leaking inside of the school. Several other lines were found, and the water line could not be identified. So, they started hydrovacing around the main valve that turns off that whole section, then the water T was found that feeds the school. It was cut and capped.

Old Business: There was none.

New Business: No executive session was needed.

A motion was made by Alan Thornton, and seconded by Audra Thornton, to pay check#17157 through check#17175, including all debit card charges and EFT's for a total amount in bills \$18,197.30. Motion passed and Lowell Clawson abstained due to pecuniary interest because there was check#17164 in there for him.

With no further business this council meeting was adjourned at 7:10 p.m.
